VALENTINE'S COCKTAIL TASTING MENU

A SELECTION OF BESPOKE COCKTAILS FOR LOVERS TO SHARE IN CELEBRATION OF VALENTINES DAY

SUKI SPRITZ

Lychee Sherbet/Citrus/Prosecco

Taking inspiration from the Japanese tradition of "White Day" in which women & girls give gifts of white chocolate cake to the person they have a romantic interest in. Suki is a popular word in Japan translating to "like" or "affection"

APPLE OF MY EYE

Pear Vodka/Apple Liqueur/Green Cardamom/Pressed Apple

The phrase "apple of my eye" refers to the person one cherishes most above all others. We think this beautiful phrase lends itself as the perfect inspiration for a delicious Valentine's cocktail. Pear and apple flavours work beautifully alongside citrus and subtle spice from green cardamom.

BED OF ROSES

Wolfe Bro's Gin/Root Ginger/Rose Syrup/Citrus/Soda Water

We have created this delicious and unusual combination of rose & ginger alongside locally produced gin in celebration of Valentine's Day and the long-standing tradition of gifting your sweetheart a bunch of roses on the special day.

BOUQUET MARGUERITE

Blanco Tequila/Hibiscus/Elderflower/Jasmine/Citrus

Blanco tequila swims with springtime flavours of jasmine, elderflower and hibiscus. This cocktail is packed with sweet floral notes alongside vegetal tones of tequila and freshness from citrus. Just like a bouquet of flowers for your love!

NUTS FOR YOU

Hazelnut Rum/Hazelnut Liqueur/Maple Syrup/Espresso

A twist on the much-loved Espresso Martini, this drink takes the modern classic and gives it a nutty makeover. Hazelnut rum & liqueur work wonderfully alongside rich & sweet flavours of maple syrup and fresh Italian espresso.

STRAWBERRY KISS

White Chocolate Liqueur/Strawberry/Vanilla/Fresh Cream

Nothing on the world says Valentine's Day quite like strawberries dipped in chocolate. We have taken this idea and given it a romantic twist in cocktail form with white chocolate and subtle notes of vanilla. This is the perfect, creamy, dreamy concoction to round off your intimate cocktail experience
